

## 2nd Grade Choice Board

Students should choose two different activities to complete each day. In addition they will be required to read for 20 minutes. You will need to send a photo of the two completed activities to your child's teacher via DoJo **each** day. This must be their actual work. Your child's teacher will keep track of the activities that are completed. If one of the items are highlighted below your child will need to log in and complete the following:

Spend 15 minutes a day on Lexia or until you meet your time  
Spend 10 minutes a day on Dreambox

<b>1.</b> After you read for 20 minutes make a list of 5 words with long vowels and 5 words with short vowels from your book.	<b>2.</b> After you read for 20 minutes illustrate the problem and solution in your book.	<b>3.</b> After you read for 20 minutes write a different ending for your book. You must write at least 8 complete sentences.	<b>4.</b> Find a book, newspaper, or magazine at home and write down 10 nouns, verbs, or adjectives you find.	<b>5.</b> After you read for 20 minutes, create a comic strip based on the story that you read.
<b>6.</b> Using a clock jog in place for 2 minutes to warm up. Do jumping jacks for 20 seconds. Do squats for 20 seconds. Do your favorite dance for 20 seconds.	<b>7.</b> Observe the weather. Write a weather report for the next five days using at least five adjectives. Be creative!	<b>8.</b> Look around your house and find items to build a new invention. Make an advertisement for your new invention (include a price).	<b>9.</b> Write a story about what you would do if you were accidentally locked in WalMart after they closed. Write at least 10 complete sentences. Include an illustration.	<b>10.</b> Create your own book. Make sure you include characters, setting and plot. You also need to include a cover with the title and illustrations.
<b>11.</b> Write the numbers 1-50 on a sheet of paper. Put a triangle around the odd numbers and circle the even numbers.	<b>12.</b> Sort pennies, nickels, dimes, and quarters that you find around the house. Using hairy money draw the coins, count the money, and list the total. (1 hair=5)	<b>13.</b> Write ten 3-digit numbers and circle the hundreds place, underline the tens place, and draw a box around the ones place.	<b>14.</b> Create five two digit by two digit word problems and work them out using SMASH.	<b>15.</b> Skip count by 2 up to 50. Write the numbers down on paper.

<p><b>16.</b> Walk around your house and write down 10 shapes you see using these terms: square, triangle, rectangle, cube, sphere, and cylinder. Draw a picture of each item and label the shape.</p>	<p><b>17.</b> Make a schedule of your day.
