

Modified Kindergarten Choice Board

Students should choose two different activities to complete each day (Monday-Friday). In addition they will be required to read for 20 minutes.

You will need to send a photo of the two completed activities to your child's teacher via **DoJo** (Simpson, Nunley, Cloud, Shrader) and **Seesaw** (Chandler/Garrison, Pickens, Wright, Faulkenberry) **each** day. This must be their actual work. Your child's teacher will keep track of the activities that are completed.

Spend 15 minutes a day on Lexia or until you meet your time (if needed) use login badge that was sent with your child's ipad
