

Digital Learning Days

Social Skill Activities to do at Home

1. Have your child call/facetime a friend
2. Have your child type an email to his/her teacher/relative/or a co-worker of yours-let them correspond with the person
3. Play a board/card game as a family (UNO is my favorite)
4. Draw a picture to a first responder and email it to them
5. Be a waiter/waitress have your child develop the supper menu, allow them to help you cook
6. Play Simon says with chores
7. Have your student show three ways they can show kindness
8. Perform a play to the household family
9. Keep a daily feeling journal- draw/write how you are feeling each day
10. Brainstorm what makes a good friend with your household family
11. Develop a family band with household items (mac and cheese-pots and spoons)
12. Take turns asking questions around the dinner table
